About the course

Another exciting and inspirational art course led by art expert Frances Winder. She will show you the best methods of painting with rags and card.

What will the course cover and how will it be taught?

Using rags and old credit cards can free up your work. You can achieve wonderful moody paintings with this method, or create strong structure and texture in your painting.
This course is good for beginners or the more experienced student. A good way to express your emotions or to free yourself for stronger painting by experimenting with and learning techniques for paint application.
Applicable for abstract and representational work.
There will also be a short power point presentation of work by significant artists.

What do I need to bring with me?

You will need- an Acrylic pad of paper, canvas or canvas board to work on. Water pot, palette (a stay wet palette can be bought or it can be made with a sealable flat plastic sandwich box, kitchen roll and greaseproof paper.)
