About the course

Speaking, reading, listening and writing. Four skills to develop your fluency, accuracy and expression.

This course is the second part of a topics based approach program. It is designed to give you the confidence needed to travel to Spain or Latin America and be able to get by.

What will the course cover and how will it be taught?

The course will start with a revision of the topics covered in Year 1. Places, shopping, going to a bar & restaurant, travelling and booking a room in a hotel. We then move on to cover descriptions of your town, house, personal descriptions, going to the doctors, getting a prescription, describing your daily routine, shopping for clothes, making phone calls and talking about the weather.

Learning will take place through a mix of class, pair, group and individual work.

There will be plenty of opportunity for role play, conversation, discussion and games.

You will also learn through course book study, worksheets, audio cassettes, videos and ICT.

What do I need to bring with me?

Sueños, BBC book 1, used in Year 1.

Please bring a pen, notebook and your glasses, if you need them.
