the BREWERY

CREATIVE ACADEMY

A three day course designed to develop creativity, skills and confidence, taught in a fresh and exciting way by professional artists.

14-16 Aug | 10.30am-4.30pm | 15-21yrs
£40 per day or £100 for 3 days

Life Drawing & Sculpture | Tue 14 Aug

Work from a clothed life model, learn both analytical and expressive approaches to drawing. Using different modelling techniques expand your work into three dimensions.

Printmaking | Wed 15 Aug

Join painter/printmaker Annie Coxey to develop observational drawing skills and experiment with a range of printmaking techniques. Use the print press to create professional prints.

Collage | Thur 16 Aug

Join artist Graham Watson to create dynamic pieces of collaged art. Learn a useful technique to develop work, transferring collaged imagery into drawings to make mono-prints.
